WINNIPEG JETS

GALA

The 7th Annual Winnipeg Jets

Gala

The Winnipeg Jets Gala Dinner is a unique event for hockey enthusiasts and friends of the True North Youth Foundation (TNYF) and Winnipeg Jets. Last year, the dinner raised over \$340,000 for the TNYF which contributed to providing more than 7,500 summer camp day experiences at Camp Manitou, offering the Project 11 curriculum to 1,200 classrooms, and allowing more than 825 children to participate in the Winnipeg Jets Hockey Academy.

The annual Winnipeg Jets Gala Dinner is held at ice level at Bell MTS Place and attracts over 900 professionals, businesses and supporters. Enjoy this unique opportunity to mingle with players and coaches from the Winnipeg Jets and Manitoba Moose while participating in an exquisite meal and *fun money* casino. The event includes a raffle as well as a silent auction featuring once-in-a-lifetime Winnipeg Jets experiences and merchandise.

“At Scotiabank, we believe that everyone needs a team. Just like in the game of hockey, we’re all better when we work together. That’s why we are proud to help champion the work of True North Youth Foundation to develop and operate programs that support underserved youth reach their infinite potential.”

Josh Lawson, Vice President & Market Lead, Commercial Banking, Scotiabank & Roynat Capital

**TRUE NORTH
YOUTH FOUNDATION**

How does the True North Youth Foundation empower potential?

The True North Youth Foundation promotes the growth and development of young people by delivering programs that assist underserved youth in Manitoba and provide educational opportunities that help build life skills and shape character while promoting physical and mental wellness. The TNYF prides itself on creating meaningful opportunities for youth by offering learning and adventure, celebrating inclusion, and providing an opportunity to cultivate connections, self-esteem, and physical, intellectual and social skillsets.

Thousands of children are empowered to realize their full potential through TNYF's three continuously growing programs which guide youth on a journey of self-discovery in a safe and caring environment that allows young people to be themselves and experience a high degree of independence.

Over the past 23 years, the TNYF has provided over \$21 million of funding for youth-based initiatives across the Province of Manitoba.

The Winnipeg Jets Hockey Academy enables over 825 youth who have few recreational options to participate in a hockey skills program that incorporates community volunteers and university students as instructors and positive role models. The program offers both a daytime and after school component which enables students from Grade 2 through high school to both learn the basics of hockey and take advantage of opportunities that support their academics. The WJHA is about more than hockey; the program fosters leadership and citizenship as student athletes are shown many different possibilities for their future through an assortment of field trips, visits to post-secondary institutions, career counselling and various volunteer opportunities.

Project 11 is a curricular resource available to schools in Manitoba for kindergarten to Grade 8. Over 1,200 classrooms participate in the program which teaches resiliency and positive coping skills. Through Project 11 the classroom becomes a community where students learn about and openly discuss mental wellness.

Camp Manitou provides a wide range of activities, challenging educational programming, and the perfect environment to step out of the everyday and connect with nature. Camp keeps days jam-packed with activities, learning and fun. It's a place where kids are able to leave their troubles behind to simply be kids, bond, make friendships and make memories that will last a lifetime.

By connecting with youth year-round and following them through their academic careers, connections to their schools and communities are increased resulting in increased school attendance as well as graduation rates.

Support the True North Youth Foundation by attending the Winnipeg Jets Gala Dinner and help create a sense of community and belonging that empowers youth like Cody to discover their passion and realize that they can achieve their ultimate potential.

Cody's Story

As a member of the Winnipeg Jets Hockey Academy (WJHA), Cody's experience included a week at Camp Manitou each summer since the True North Youth Foundation began operating camp. Thanks to the combined experiences and mentorship of the WJHA and Camp Manitou, Cody had come a long way from the seven-year-old who didn't like school and who struggled academically and with making friends. Cody stood out as a leader and he was hired as a junior activity leader the last two summers, allowing him to further build on the skills he had developed as a camper. Through the experience Cody discovered a newfound passion of working with kids and is now attending post-secondary and exploring the possibility of becoming a teacher.

“The program has made me want to give back to the community, I just want to be a part of what's happening, here.”

Cody D, graduate of the Winnipeg Jets Hockey Academy
